**1. OFFICIAL NATIONAL LEAGUE
BALL**

The National League officially adopted the Spalding No. 1 ball in 1876 and has used it in every game since, including World Series. It is made to the exacting specifications determined by the League, with only the finest materials and workmanship.

This ball features the Spalding patented cushion cork centre, highest quality selected wool yarn winding, and a cover of choice alum tanned horsehide, sewed with double red stitching. In every respect this famous ball is "official" and uniformly standard in construction and performance. Individually boxed and sealed.

Suggestions to Scorers

Give a base hit on a ball too hard to handle properly. In matters of doubt favor the batsman. The question whether the fielder had a fair chance to dispose of his man should decide the question of an error.

Begin to score in the lower right hand corner and follow in the order of the bases. Indicate a hit by a cross and extend this into other squares, as the hit is good for two, three or four bases. A dot over the left, centre or right of the cross will indicate the direction of the hit. In this same square indicate how the base was reached if not by a hit, or how the out was made.

Having recorded the first square, indicate progress of runner in next square. If out, show how put out. A forceout by batsman, shortstop to second, would be recorded 6-4. If the first batsman was advanced by a hit, mark a figure 2 in second square, showing that the second man on the score card advanced him by hit or error, as the case may have been.

Number of players: Catcher, 2; pitcher, 1; basemen, 3, 4, 5; shortstop, 6; fielders, beginning with left, 7, 8, 9. Record in lower right corner base on fumble of shortstop, a-6; on passed grounder, v-6; on muffed fly ball, o-6; on muffed foul fly, f-6; on muffed thrown ball, D-3; on wild throw, w-6; on missed third strike, MS; on balls, b; on being hit by pitched ball, HP; on forceout, xx; on unsuccessful attempt to force, x.

An out on fly, f-7, showing a fly ball caught by left fielder; out on assist, 5-3, showing throw by third baseman to first; out on strikes, K; out on foul fly, LF-2, showing such out to catcher; out on foul tip, t-2; out by a fielder unassisted, give number of fielder and letter of base, A, C, B, or H. Thus: 6-B would show that the shortstop had retired a runner at second, unassisted. Under each out record 1, 2 or 3, showing the out in the inning.

A dot in the lower left hand corner will indicate a run. For a stolen base, write s.

When a player is run out between bases, an assist as well as a put-out should be given to the fielder retiring the runner, provided he handled the ball previously in the play. Thus: 2-5-6-2 would indicate that the catcher caught a runner off third, and the third baseman and shortstop taking part in the play, the runner was eventually retired by the catcher, the latter player being credited with an assist as well as put-out.
