Mayor's Message

MAYOR J. D. BURNETT

This is one of the most pleasant duties one could be called on to carry out viz. that of extending thanks and congratulations to Col. King and members of the Memorial Arena Board. The loss of the original building by fire seemed to be a disaster from which we would take a long time to recover and the new building certainly did not rise from the dead ashes of the old. Before the ashes were cold Col. King and his committee, Ross Drew and his staff, and others called in, were astir and plans were already in the making for a new and better building. Many changes were made to give better accommodation and increased seating, changes were made to lessen the fire hazard, and it was made structurally stronger. Mr. Richards and his contractors have more than fulfilled their promise in regard to time and the arena will be in use for the greater part of the winter.

The comparatively short time we have been without the building has brought home to us all its importance in community life. I am sure all the men who contributed so much free labor last summer must have a feeling of pride in that they made their contribution toward the rebuilding. I earnestly hope that all citizens of Cobourg will show their appreciation in being very liberal in patronizing the various activities which will be carried on during the year.

Sincerely,

J. D. Burnett
Mayor

RINK ATTENDANTS

Please see that all instructions issued by all rink attendants are carried out. The instructions they issue are for a definite purpose and for the good of everyone attending events in the Arena.

A hearty thanks to all fans for supporting all events in the Arena. Your patronage is appreciated and if there is anything the management of the rink can do to help make your stay more pleasant we will be only to glad to co-operate. **WE BELIEVE THE CUSTOMER IS ALWAYS RIGHT.**

NO SMOKING!

Your co-operation is respectfully requested in observing fire regulations which do not allow smoking in the main body of the Arena. If you must smoke please do so in the Auditorium or in the lower hall and then make sure all cigars and cigarettes are completely extinguished before they are discarded.

RINK COURTESY

Please refrain from throwing articles of any nature on the ice. To do so is not only in violation of hockey rules but may result in serious injury to a player. Remember, even an object as small as a tooth pick can cause a fall on the ice.

HISTORY OF COBOURG FIGURE SKATING CLUB

In October 1949 the Cobourg Figure skating Club was organized and became a Junior member of the Canadian Figure Skating Club in Ottawa. A club professional Miss Shirley Luffman was engaged so that the children of Cobourg would have the opportunity to acquire skill in Figure Skating. Due to the heavy expense of such an undertaking several money making projects were used. Our carnival climaxed the first year of operation and was very successful. Several of the members passed tests in both figures and dancing.

During the 2nd and third year of the club more children joined and a much higher percentage tried and passed tests with judges coming from Montreal, London, Toronto and Oshawa. The carnivals were bigger and better each year.

After the disastrous fire in August of this season the Figure Skating Club was without a home for a few months. However the Cobourg Club continued to function and until the new rink was ready they used the facilities of the Peter Campbell Memorial Rink in Port Hope. Due to some quick action by Col. King and his Arena Board the Figure Skating Club was not kept without a home for too long and now both Arena and the Skating Club are ready for a bigger and better year. This year the Club has a new Professional, Miss Roseanne Paquette of the Minot Club, Ottawa, whom we have all seen and admired at the Summer Skating School. We are sure the Cobourg Figure Skating Club will justify the work and effort which their own executive Miss Paquette and the Arena Board has done on their behalf.

MAX SLESSOR

383 A WILLIAM ST. COBOURG

HAROLD "BUCK" LEGROW

Buck is no stranger to Cobourg fans but this is his first year in a Comet livery. He has already proved his worth as he has potting numerous goals from a forward position as well as taking a turn on defense. When "Buck" gets a little more action and condition he will be a fine acquisition to this years team.

BERNIE FLESCH

Bernie is a local boy with the Comets who has played all his hockey with either Port Hope or Cobourg. He returned to the Comet fold last year after one very controversial year with the Port Hope Redmen. Bernie appears to be in for one of his best years and he is giving Sommerville all kinds of help.

CLARKE HARNDEN

Clarke was a little late in starting this season having been slowed down by an addition to his family but now that he has everything under control at home he is ready to give his all for the Comets.

COBOURG ARENA

Compliments of
J. DOYLE
PLASTERING CONTRACTOR Cobourg

CLARKE SOMMERVILLE

This is Clarke's second year with the comets and right from his first game he has been a local favourite. He is regarded in many quarters as the number one goalie in the league. Clarke has had much experience between the pipes before coming to Cobourg. He played in the Junior A with the Galt Black Hawks and professional with Washington and Philadelphia.

BRUCE "RED" ALEXANDER

"Red" is a very familiar athlete to many Cobourg sport fans as he has played two seasons with the Cobourg Galloping Ghosts Football team and he is one of their favourites. "Red" started quite slowly with the Comets

Continued on page 19.

ACKNOWLEDGEMENT
The board of Management wishes to acknowledge the financial assistance of the Kinsmen and Lions clubs of Cobourg.
Contributions by the Kinsmen club
\$5,000 - Main building Fund.
\$10,000 - Terrazo floor over pipes.
\$2,000 - Original Public Address System.
Lions Club
Donation of chairs for auditorium.

this year but he is improving every time out. Old "hard rock" will be a hard man to get past on the Cobourg defense and all rival players will be taking a second look before going down his side of the rink.

GEORGE CAMPBELL

George is the veteran with the team in years of service and this season he has seen service both as a forward and on the defense. "Dad" is a very handy man to have around and is one of the most dependable men on the Squad. George will be at practice or a game as long as he is able to walk and he was a big help in Cobourg's first win of the year against Orono despite the fact he should have been home in bed with a terrific cold.

JACK IRVINE

Jack or Jake as he is better known is a Lieutenant in the Ordnance Corps and he is a welcome addition to the local club. Jake is a forward with a lot of what it takes and he refuses to back up from anyone.

JACK REEVES

Jack was last years Most Valuable Player on the Comet team and he appears to be just as effective this year as last. Jack has played both forward and defense this season and his work on defense could be just what the Doctor ordered for the Comets.

ALEX MCKEEN

Alex is a newcomer to the Comets this season but he is not new to this league. He formerly played with Bowmanville and Port Hope. Alex has had a little difficulty keeping out of the penalty box so far this season but he has been very effective in his defensive work.

14 KING ST. W
COBOURG ONT.

JON FISHER

A local boy who has played plenty of hockey both in Cobourg and Port Hope. Jon looks as though he is in for his best year in hockey and he is the fastest man in the Intermediate league.

KEN WILCOX

Ken is another local boy who seems to be starting out on what could be his best year. Ken has played all his hockey in this area and if he continues the year the way he has started out he will more than hold his own with any forward in the league.

PAUL STEVENSON

Paul played last season with Hastings in the Trent Valley League. He is a forward playing either at centre ice or on the wing and he is noted for his stick handling ability.

DAVE CASEY

Dave is in his second year with the Comets and once again he is a very popular player with fans. Before coming to Cobourg Dave played in an American professional league and before that he performed for Peterboro and Port Hope.

Congratulations Cobourg Arena
Best Wishes Cobourg Comets

CHAS. JACKSON
BUILDING CONTRACTOR

Chapel St. Phone 880

DOUG FISHER

Doug like his brother Jon is a very fast man on a pair of skates and he too looks as though he will have a good year. Doug seems to have found the range of the net this season better than last and he'll score a lot of goals before the end of this season rolls around.

CLIFF MAUNDRELL

Cliff has retired from active play this year to take over the coaching duties and he has done very well with his boys although operating under a great handicap in the early part of the season. Now that he is able to have more team practice he should be able to round out a real contender.
